Clearwater, Florida 33762

See reverse side for
important information.

“The True State of the Economy”

Washington and Wall Street have become one, resulting in a managed economy.

We are experiencing a currency crisis.

The Federal Reserve’s policies have led to the brink of total economic collapse.

Just imagine the devastating change in your income and lifestyle.

Your personal freedom is tied to your economic freedom.

Avert the Crisis and Preserve your Assets and Way of Life!

Asset Preservation Institute is an educational and consulting firm, offering personal, financial education programs and preparing Americans for the collapse of the stock and bond markets, a hyperinflationary depression and demise of the dollar.

“Understanding Precious Metals”

Important Facts & Questions to be addressed

Gold & Silver is an unregulated industry.

Don’t pay commissions twice: front end & back end.

Commissions and spreads: have you been overcharged?

What is the BBB rating of your prospective dealer?

Are your metals the confiscatable and reportable kind?

What are all of your storage options?

Does your firm offer Swiss storage programs for high net worth investors?

And many more....

Get the Facts! Take Action! Knowledge & Truth are Power!

If you cannot make this briefing, call for a private discussion and orientation.

Had Enough Yet?

Join Economist Dr. Kirk Elliott and Lecturer, John M. Chambers for this “Public Briefing”
This briefing picks up where Glenn Beck and David Buckner PhD leave off...

 - Understanding Precious Metals-Buyer Beware!
- Receive current “*Intelligence Advisor Report*”, 10 point Action Items, List of Reliable Resources & DVD
 - Learn more about the Asset Preservation Enrollment Programs

John Michael Chambers: Public Speaker, Author, Activist & Radio Talk Show Host

John Michael Chambers was a leading Financial Advisor from 1996-2008. During this career, he established seven independent offices in Florida, Colorado and New Mexico and was a member of the prestigious Million Dollar Round Table, “Top of the Table” and The Premiere Association of Financial Professionals Worldwide. John was awarded the Businessman of the Year Award for the state of Colorado by the Presidential Business Advisory Council of Washington DC in 2004 & 2005, acknowledging his business leadership, entrepreneurial spirit and contributions made to the growth of local and national economies. Chambers resigned from the industry in perfect standing from all governing and regulatory bodies.

After identifying problems he clearly foresaw in the financial services sector, John formed Asset Preservation Institute. Today, John Michael Chambers is transforming the way people go about protecting, preserving and growing their wealth, by empowering them through enlightened practical knowledge to steer the course that they choose, for the future.

Kirk Elliott, Ph.D.: Global Economist & Precious Metals Expert

Dr. Kirk Elliott has a B.S. in Business Administration from University of Colorado, an M.A. in International Studies with an emphasis in International Economics from University of Denver, and a Ph.D. in Public Policy and Administration from Walden University with a focus on Public Economics.

As an inflation and precious metals expert., Dr. Elliott has served as a visiting professor of Economics at Fort Lewis College and as adjunct faculty in Public Policy and Administration at Walden University.
